CONTENTS

FLOMO® is a globally recognized Taiwanese owned family business that specializes in high-quality stationery, gifts, and daily supplies. Our strong R&D (Research & Development) background and long history of experienced manufacturing are the reasons why FLOMO® has become one of the leading brands in Taiwan, China, Japan, and the United States. We are also a proud manufacture and distributor for multinational, household favorite brands.

In Mandarin, FLOMO® means Enrich Happy Dreams, reflecting the company's vision and mission. We are committed to offering parents and their children the most innovative, useful and sustainable products to support joyful learning, inspiration, and enrichment in their daily lives.

An eraser in a gift packaging is truly an unexpected surprise!

FLOMO "SHOW Eraser" has a unique and creative design which shows different shapes and expressions after each use.

It comes with four different animal pattern designs. This eraser sparks imagination and creativity. Our table top can be turned into adorable desk decoration.

Eco-friendly and non-toxic eraser in a gift packaging is more than just an eraser.
