CONTENTS

FLOMO® is a globally recognized Taiwanese owned family business that specializes in high-quality stationery, gifts, and daily supplies. Our strong R&D (Research & Development) background and long history of experienced manufacturing are the reasons why FLOMO® has become one of the leading brands in Taiwan, China, Japan, and the United States. We are also a proud manufacture and distributor for multinational, household favorite brands.

In Mandarin, FLOMO® means Enrich Happy Dreams, reflecting the company's vision and mission. We are committed to offering parents and their children the most innovative, useful and sustainable products to support joyful learning, inspiration, and enrichment in their daily lives.

History

FLOMO® expanded its market by developing the world's first ever environmentally friendly, non-toxic eraser.

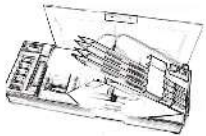

FLOMO® Tourism Factory in Kaohsiung, Taiwan officially opened its doors to the public.

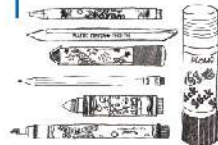

Shen family established DARONG Plastics Industrial, specializing in plastic processing business and manufacturing machinery for industrial fields in Taiwan.

Taiwan's Ministry of Economic Affairs (MOEA) and Taiwan External Trade Development Council (TAITRA) awarded FLOMO® with the "Taiwan Superior Brand Award" in the pencil case series.

FLOMO® won its second "Taiwan Superior Brand Award" from TAITRA.

We design, develop, manufacture and distribute stationery items, party supplies, seasonal products and other consumer products. We are proud of having certifications and receiving awards for our product designs, high quality products and company standard.
